

Seminar on “Entrepreneurship”

On

26th of April, 2022

A seminar on “**Entrepreneurship** ” was organized on April 26, 2022. Dr. Deepak Kulkarni, former Principal (Officiating) and Head Textile Technology at Government Polytechnic Nagpur, Dr. S.A Bhide Director (SSMC), Dr. Vrushali Parkhi (Officiating Principal SSCM) were on the dias. Dr. Deepak Kulkarni spoke on how to start an enterprise, the challenges and how to deal with them. He answered queries by students on funding agencies and assistance on modalities of starting an enterprise. More than hundred students and teaching staff attended the program. There was an enthusiastic response by the students.

Dr. Kulkarni, said that there were three kinds of people that exist in society today- those who do not know what is happening around, those who watch and let things happen and those who make things happen. This third category people are entrepreneurs.

With competition increasing and technology becoming more efficient, jobs are decreasing. Hence entrepreneurship is on the rise.
