### **Three days Voter Id registration Camp**

A special camp for registering voter IDs was set up in our college premises on the 26<sup>th</sup> Sep , 27<sup>th</sup> Sep and 3rd of October 2023. The main goal of this camp was to help students who were 18 years old to register as voters so that they use their right to vote in elections. The camp was organized in collaboration with Mrs. Santosh Dipak Laddha, who is in charge of the "Beti Padho Beti Bachao" initiative in East Vidarbha.

The camp saw the participation of around 200 students who successfully got themselves registered as voters during these three days. It was great to see efforts being made to ensure that young people were made aware of their voting rights and were encouraged to participate in the democratic process.
