

6.2.1 Strategic Plan and Deployment Document

Plan of Action	Achievements/Outcomes
Prepare students to become Industry ready	Workshops were held to groom and improve students' personality and self-confidence, since our students hail from a very poor and backward community. Activities were conducted to make students industry ready in order to bridge the gap between industry and academia.
Prepare students to become Industry ready	Certificate courses were conducted throughout the year for enhancing employability and entrepreneurship skills.
Cyber security awareness	Conducted seminars for students on Cyber Security awareness. In the 'Earn while you learn' scheme of QuickHeal with whom a MoU was signed, thirty two volunteer sensitized 33343 students of schools and colleges about Cyber Security.
Startups and small projects should be encouraged	Applications were invited by RTM Nagpur University for establishment of Incubation centre. We have applied for the same.
Live Projects for PG students	M.Sc. Comp Sc. students worked on live projects and internship in IT companies.
Training of teachers (TOT) certificate course of "Skill India, Kaushal Bharat-Kushal Bharat	Five teachers cleared the Training of Trainers (ToT) examination: Dr. Diwakar Tripathi, Dr. Vrushali Parkhi, Dr. Suhashini Chaurasia, Zohra Yasmeen, Dr. Chaitanya Pipalwa
Implementation of Mahajyoti Skill education	Two teachers 1) Dr. Vrushali Parkhi and 2) Dr. Diwakar Tripathi successfully undertook the training
Foundation committee for NEP	Seminars were conducted, teachers were deputed to attend NEP courses conducted by MHRDC Academic staff college.
Pradhan Mantri and State Government Yojanas	Students were motivated to create awareness among people about the various Pradhan Mantri and State Government yojanas, for the needy people in the vicinity. Initiative was taken to implement: Sukanya Samruddhi yojana, Sarva Shiksha Abhiyan, Ujwala yojana, Kaushalya Vikas yojana, Safal Bima yojana, and Awas yojana.
