The meeting started with the welcome note by Director, S.A. Bhide followed by reading the agenda of the meeting by Mrs. Suhashini Chaurasia IQAC Coordinator.

- Dr. Sheel Ghule told that there is a fraud in every minute in our country so there is a necessity of skilled Cyber Security person in IT field. In 1 or 2 years these skilled IT persons will get good opportunity.
- So he suggested to schedule certificate course in "Cyber Security and Forensic Sciences" and Dr. S.A. Bhide is ready the implement after Winter 2022 exams
- In addition to that Dr. Sheel Ghule told to schedule a guest lecture by Amol Dhond PI cyber cell, Nagpur. He can give good inputs to our students.
- Dr. Sheel Ghule further suggested to implement Machine Leaning and Artificial Intelligence course in our college.
- Agricultural entrepreneur is also one of latest area where student can start
- Even college students can startup with small projects. If anybody have any idea of project that can contribute to smart city are always welcome. They can come up with their ideas to him. Even a small budget has been sanctioned for such small projects.
- In addition to that Dr, S.A. Bhide told Dr. Tripathi to work with Neetu Amlani on identifying students and assist them for the project
- Dr. Sheel Ghule gave an example of Kolthe. He made a project on green corridor for ambulance. The project is to clear the road before arrival of any ambulance on the road.
- Dr. S.A. Bhide also suggested that we will write a letter to board of studies to implement cyber security as one of the subject in university curriculum
- It has been suggest by Dr. S.A. Bhide to sign a MoU with IWM which gives coaching to students on cyber security.
- Dr. V. Parkhi, Off. Principal said that in order to improve the quality of teachers, they should publish papers, patents, copyrights, attend conferences, and register for Ph.D. undertake Refresher courses, Faculty Development programs and students should be told that they need to undergo such training that they become industry ready.
- Suhashini Chaurasia said that in order to enhance the quality of students, arrange Employability and Life skill programs.
- Dr.V.Parkhi suggested that teaching learning process can be evaluated through course outcome which includes the analysis of university result.
- Dr.S.A.Bhide suggested that college should apply for incubation center.
